Dear Dr. Barnett:

Thank you for sending me a copy of the  
bibliography which you have been sending to  
educators.

I am grateful for your kind remarks  
about this Agency and about my presentation  
to the National Strategy Seminar.

We have a long way to go in awakening  
people to the real nature of subversive Com-  
munism, and I am glad you think I have made  
some contribution.

Sincerely,
